BY ROAD

Leave the M25 at Junction 3 or the M20 at Junction 1, the point at which the two Motorways cross. From whichever direction you approach this Junction, you will find Swanley clearly signposted.

- If approaching on the A20 from the South, ignore the sign for Swanley Village.
- If coming from the direction of the Dartford River Crossing, there are two exits at Junction 3 – take the 2nd exit signposted Swanley.
- If approaching from the North down the A20 (e.g. from London/ Chislehurst along the Sidcup bypass/Swanley bypass), turn off where marked M25 and Swanley. Come off the roundabout at the M20/M25 junction by taking the B2173 to Swanley.
- At the next roundabout turn left into Goldsel Road, signposted B258 Crockenhill. Bear left across the railway bridge. The approach to United House Head Office is clearly marked approximately 100m on the left. Further on, to the right, is the entrance to Azalea Drive where Media House can be found, just after the shops, on the right hand side.

BY RAIL

The United House Head Office is five minutes walk from Swanley station. From the station, take the exit marked ticket office and taxi and continue across the car park along station approach. On leaving the car park, take the first road on your right and continue to the T-junction. At this junction, turn right for Media House which is the first large building on your right. For the Head Office, turn left and continue to the end of the road from where you will see the United House sign opposite.
